

Seating Services

PostuFlex

www.seatingservices.co.nz

PostuFlex

Our ergonomically designed multipurpose *PostuFlex* chair is competitively priced, comes in nine striking colour options & is comfortable, durable, lightweight & compact. Added options include seat & back pads for extra comfort, foldaway tablets & the option of adding your company logo. Ideal for conference, hospitality, educational & meeting room seating. Conveniently stacked away onto trolleys for easy storage & access.

Linking Mechanism

This time saving feature enables chairs to be easily linked together with the simple linking system

Fabric Pads

Fabric seat & back rest pads for added comfort are available in a large range of colours

Comfortable & ergonomically shaped backrest provides soft & pliable support

Chairs conveniently stack up to 15 high onto easily manoeuvrable trolleys

Seating Services Ltd is a New Zealand owned & operated company that has been supplying & installing quality seating options to our clients for over 20 years.
